| <b>Admissions and Transition Information</b> | <b>Fall 2014 Offer Information</b>   | Offers are sent out in three rounds – early offers in February, second round in March/April and the final round (including refusals) in May. More information: <a href="http://discover.utoronto.ca/school-counsellors">http://discover.utoronto.ca/school-counsellors</a> .   |
|  | <b>Special Consideration Policy</b>  | To request special consideration, a student must submit the following to Enrolment Services: a) a letter (written by student) describing your situation and how it directly influenced their grades; b) complete academic documentation; c) a letter from a physician if citing medical grounds; d) corroborating letter(s) from guidance counsellor/social worker, etc.; e) a recent psycho-educational assessment if the student has a learning disability.  |
|  | <b>Alternative Offers of Admission</b>   | Alternative offers of admission will vary by program:<br><b>Faculty of Arts &amp; Science; Architecture, Landscape &amp; Design</b> – no alternative offers of admission<br><b>Faculty of Applied Science &amp; Engineering; Kinesiology &amp; Physical Education; Music</b> – will provide alternative offers within their faculty  |
|  | <b>Grade 11 Marks</b>  | Used to make early offers of admission in February and will vary by program.   |
|  | <b>Supplemental Applications</b>   | Architecture, Rotman Commerce, Faculty of Music, Faculty of Kinesiology & Physical Education, Faculty of Applied Science & Engineering, Victoria College Profile, Trinity College Profile, the First Year Foundations programs   |
|  | <b>Deferral Policy</b>   | Applicants who are considering taking a year off between high school and university may request a one year deferral of admission. All conditions of the offer of admission must be satisfied before a deferral request will be considered. If granted, the deferral of admission will include a deferral of any entrance scholarship(s) awarded and the residence guarantee, if applicable. To request a deferral, students must complete all sections of the <i>Deferral Request Application</i> and send it directly to Enrolment Services no later than September 1. A copy of a final transcript or report card must be included with the application. Applicants who plan to attend a postsecondary institution will not be permitted to defer their admission. |
|  | <b>IB and AP Policy</b>  | Admitted students may be awarded transfer credit for International Baccalaureate Higher Level subjects with a minimum grade of 5 (sent electronically by the IBO) or Advanced Placement examinations with a score of 4 or 5 (sent electronically from the Educational Testing Services). More information: <a href="http://uoft.me/f4">http://uoft.me/f4</a> .   |
| <b>Policy on Repeated Courses</b>            | Individual programs at U of T reserve the right to give preference to students whose marks are the result of a first attempt at each course, particularly in prerequisite subjects.<br>The Faculty of Applied Science & Engineering generally considers first attempts only. Should an applicant repeat a course, they will have the opportunity to explain why on the Student Profile Form.<br>Rotman Commerce within the Faculty of Arts & Science will consider only the first attempt at each subject. |  |

|---|--|---|
|   | <b>Policy On Summer/Night/Private School, Virtual Learning, and Correspondence Courses, etc.</b> | All Grade 12 U/M courses are considered equivalent, regardless of where or how they are taken, as long as they are taken through a school approved by the Ontario Ministry of Education.<br>Note: Current Ontario Grade 12 students applying on a 101 application must ensure that the current school has all their marks, including those for summer/night/correspondence courses. U of T is unable to accept marks unless they are submitted to the University by the school through OUAC.<br>The Faculty of Applied Science & Engineering will accept courses that are Ministry approved; however, they will be looking for consistent effort throughout the whole secondary school program, especially in prerequisite subjects.                                    |
|   | <b>OUAC Ranking</b>  | U of T does not take ranking on the OUAC application into consideration.  |
|   | <b>Tuition Deposit</b>   | Tuition deposits vary by campus and program.  |
|   | <b>Course Selection Process, First-Year</b>  | Course selection varies by program. First-year students generally choose their courses at the end of July. For the Faculty of Applied Science & Engineering, first-year courses are pre-determined by the department/program. Students will receive access to their timetable in early August.  |
|   | <b>Transition to University</b>  | Support programs are available across all three campuses and will vary by program.<br>More information: <a href="http://discover.utoronto.ca/school-counsellors">http://discover.utoronto.ca/school-counsellors</a>   |
|   | <b>Dual Credits/SHSM Programs</b>  | U of T does not recognize dual credits or SHSM programs in the admissions process.  |
|   | <b>English Proficiency Requirements</b>  | Proof of English Language proficiency is required from all applicants except for those: a) whose first language is English or b) who have achieved satisfactory progress in at least four years of full-time study in an English language school system located in a country where the dominant language is English, or c) whose first language is French and who have achieved satisfactory academic progress in at least four years of full-time study in Canada. More information: <a href="http://uoft.me/elp">http://uoft.me/elp</a>   |
|   | <b>Transfer Credit Policy</b>  | Transfer credit policies for postsecondary studies will vary by campus and program.<br>More information: <a href="http://uoft.me/f4">http://uoft.me/f4</a>  |
| <b>Scholarship &amp; Financial Aid Info</b> | <b>Guaranteed Entrance Scholarship Program</b>   | The \$2,000 President's Entrance Scholarship is our commitment to Canadian citizens and permanent residents applying from Canadian secondary schools or CEGEP. Students are automatically considered and must also achieve an admission average of 92% or better along with at least an "A" standing in each of the subjects required. More information: <a href="http://uoft.me/f2">http://uoft.me/f2</a>  |
|   | <b>Additional Scholarships Application Information and Deadline</b>                              | All outstanding students are considered for more than 2,400 admission scholarships. The notification of scholarship is sent at the same time as the offer of admission. Awards vary from \$500 to \$11,000 and may be renewable or for first year. While most awards are granted automatically on academic merit, there are many awards that will consider information beyond grades. All students were invited to provide information about financial need, demonstrated leadership or other special criteria through the online Awards Profile (January 31 deadline) for additional consideration. For further details on awards offered by the University of Toronto communities visit: <a href="http://www.adm.utoronto.ca/awards">www.adm.utoronto.ca/awards</a> . |
|   | <b>Bursary Information</b>   | U of T Advanced Planning for Students (UTAPS) application is available in January. Students applying directly from secondary school should apply in January of their Grade 12 year with a preferred deadline of the end of February. This will ensure that students will be considered for needs-based admissions awards. More information: <a href="http://uoft.me/utaps">http://uoft.me/utaps</a>   |
| <b>Residence Information</b>                | <b>Residence Options</b>   | Two main styles include traditional dorm-style and apartment-style residences through the college system within the Faculty of Arts & Science. Students within Arts & Science normally reside within their college, while students from other faculties can select from college residences. More information: <a href="http://www.housing.utoronto.ca">www.housing.utoronto.ca</a>  |
|   | <b>Residence Application Deadline</b>  | If students are considering living in residence, they must complete the University's common online residence application, MyRes, by March 31.   |
|   | <b>Residence Guarantee</b>   | Residence is guaranteed for all new full-time students entering their first year of university in an undergraduate program for the first time, provided that they have indicated their interest in residence by completing the university's common online residence application (MyRes) by March 31, and have received and accepted an offer of admission by June 3.  |
|   | <b>Room Deposit Fee</b>  | Approximately \$350 - \$1000 depending on campus and college.<br>More information: <a href="http://discover.utoronto.ca/school-counsellors">http://discover.utoronto.ca/school-counsellors</a>  |
| <b>What's New</b>                           | <b>Concurrent Teacher Education Program</b>  | The University of Toronto will not admit high school students to Concurrent Teacher Education Programs in 2015. OISE will continue to offer teacher education at U of T. The curriculum changes for teacher education (eight semesters) are still under discussion with the MTCU. Until the revised curriculum is set it is impossible to know if integration with an undergraduate program will allow CTEP to return.  |
